To Help Her Day Run Smoothly

GREEN CAFFEINE

Maillian pushes those double-espressos aside in favor of starting her day with a matcha green tea latte. Just one cup of matcha is the equivalent to ten cups of green tea (with none of those coffee jitters).

SUNRISE SALUTATIONS

Experts say that people who work out in the A.M. are more likely to continue with a fitness routine than their night owl counterparts. Maillian works with a personal trainer first thing so she can spend the rest of her day thinking about everything *but* the gym.

A BACK-UP PLAN

There's nothing sadder than the little red battery in your phone's upper corner blinking at six percent, especially in the middle of a client call. It's why Maillian carries a portable charger with her everywhere she goes.

It's Prime Time
